

INFORMATION NOTICE

13th May 2020

In response to Sunday's Government announcement that unlimited outdoor activity will be permitted in England, from Wednesday 13 May 2020; the Crouch Harbour Authority Policy is to ask river users to continue to follow Government Guidance on exercising outdoors and maintaining social distancing guidelines.

The CHA would like to see the Crouch and Roach boating community take a considerate and a responsible approach. Please remember, that if something goes wrong, there is the potential that it may put further and avoidable pressure on the Emergency Services.

Doug MacEwen

Chair Crouch Harbour Authority

Captain Susan Harrison MNM

Harbour Master
