

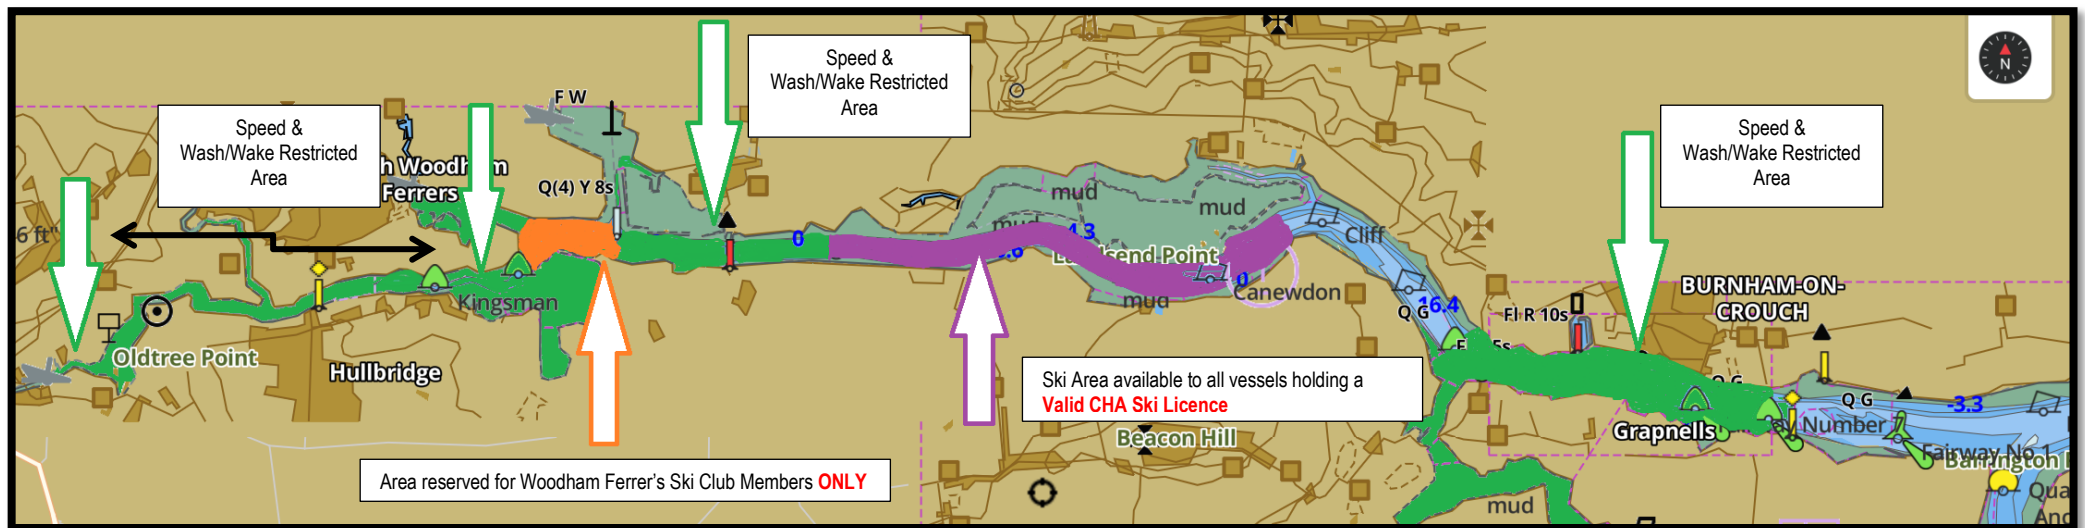

Chart Identifying Approximate Areas of:

- Maximum [8 knot] Speed Limit and Minimum Wash
- Designated Water Skiing

Areas marked in Green:

Vessels to keep their maximum speed to 8 knots with **MINIMUM** wash/wake. It may therefore be necessary to navigate at a speed of less than 8 knots. Please be courteous to other River Users.

Ski Area. Available to all vessels including none members of WFSC providing a valid CHA ski licence is held.

Area restricted.

Available for water skiing to members of Woodham Ferrer's Ski Club **ONLY**
